NIH-NICHD-Vulvodynia Consensus Conference
Co-Chair-Planning Committee (10/2010)

NIH-NICHD-Vulvodynia Planning Committee for Vulvodynia: setting a workable research agenda (2/2011-7/2011)

Invited to moderate Panel on Vulvodynia: a chronic pain condition-setting a research agenda 7/2011

NIH/NICHD: Vulvodynia: Questions that need answers: participant (October, 2011)

NIH R01: A Controlled Trial of Gabapentin in Vulvodynia: Biological Correlates of Response (2011-19): Co-PI (please see appendix at end for scientific publications from this grant)

NIH-NICHD Vulvodynia Grant Review Committee
Chair (March, 2012)

NIH-NIA MsFlash Grant Review Committee
Chair (2012, 2014)

National Institute on Aging Special Emphasis Panel; Chair: Post-Menopausal Symptoms and Causes (February, 2012)

NICHD-Planning for a vulvodynia Consensus Definitions meeting; participant (June, 2012)

NIH/NIS/ERP: Enhancing vaginal aging (EVA)-probiotics, estrogen, and the microbiome.: NIA reviewer (July, 2012)

NIH/NICHD Vulvodynia Planning meeting: steering committee (September, 2012)

NIH-NICHD Vulvodynia Grant Review Committee
Chair (October, 2012)

North American Menopause Society
Chair-Professional Education Committee (2012-2013)

NIH-NICHD Vulvodynia Study Section
Co-Chair-Planning Committee (2012-2013)

Writing Group-North American Menopause Society Consensus
On Menopausal Vulvovaginal Atrophy (2012-2013)

NIH- Health delivery and methodologies small business and technology transfer: study section member (2013)

NIH/NICHD- Vulvodynia study section, Chair (2013)

Rutgers, Center for Global Advancement and International Affairs
Funded Global Education Grant with Javier Escobar, MD (2013)

The European Menopause Society (10^{th} international conference)
International Organizing Committee member (2013-)

NIH: Facilitating Scientific Advancement on Vulvodynia through development of research diagnostic criteria: Chair of panel (2013)

NIH- MsFLASH Multicenter Clinical Trial

Study section: Chair (2014)

American College of Obstetricians and Gynecologists: National Partnership for Maternal Safety-member (2014-)

*White paper from RWJ conference (Co-Chair): 'Stop. Look. Listen! Highlights from To Have and To Hold: Maternal Safety and the Delivery of Safe Patient Care' being utilized in ACOG national maternal safety campaign (2015-)

NIH- Health delivery and methodologies small business and technology transfer: Study section member (2014-)

NIH- Small Business Innovation Research and Small Business Technology Transfer Research application review panel (2014-)

California Breast Cancer Research Council Grant Reviewer Group (2015 & 2016)

The ACTTION-American Pain Society Pain Taxonomy (AAPT): Chair of subcommittee on Vulvodynia (2015-)

Consensus Group- (member): group sponsored by the International Society for the Study of Women's Health,, International Pelvic Pain Society, International Society for the Study of Women's Sexual Health and the International Society for the Study of Vulvo-Vaginal Disease: Nomenclature, terminology and classification of persistent vulvar pain (2015-)

Vulvodynia International Working Group: Organized national and international thought leaders with two Co-Pi's from U of Tenn and U of Rochester (2015-)

Research Group- (member): International Society for the Study of Women's Sexual Health Research Committee (2016-)

Vulvodynia Nomenclature Subcommittee -US and Canadian Researchers) (2016-)

Consensus Group-(member): group sponsored by International Society for the Study of Women. White Paper: Androgen therapies for Genito-urinary Syndrome of Menopause (2017)

Consensus Group- (member): group sponsored by NIH and the American Pain Society Taxonomy (AAPT): White paper: Research design characteristics of published randomized clinical trials for irritable bowel syndrome and chronic pelvic pain conditions: an ACTTION systemic review (2017)

The Academy of Medical Sciences Foundation, United Kingdom Invited Grant reviewer (2017-)

CDC and ACOG: CE reviewer for approval of ACOG's Fetal Alcohol Spectrum Disorders (FASD) Prevention Project (2017)

NIH/NICHD Review Committee: Integrative Gyn meeting (2017)

International Society for the Scientific Study of Women's Sexual Health (ISSWSH: Research review committee (2018)

Consensus Group: Vulvodynia Patient Outcomes Steering Committee - UT organizer (2018-)

CDC and ACOG: CE reviewer for approval of ACOG's Implementing Alcohol Screening and Brief Intervention in Clinical Practice (2018)

NIH Study Section: Reproductive Andrology and Gynecology Subcommittee (2018)

Peer reviewer for American Board of Urology (2018)

Berman H, Bachmann G: Invitation to submit proposal to Community Design for Health and Wellness (CDHW): Use of film to education medical students on HIV (2018)

NIH/NICHD Review Committee: Reproduction, Andrology, and Gynecology Subcommittee (2018)

CDC and ACOG: CE reviewer for approval of ACOG's Fetal Alcohol Spectrum Disorders (FASD) Prevention Project (2019)

NIH-participant in Mid-Atlantic Regional Workshop on Sexual and Gender Minority (SGM)-related health research (2019)

Swiss National Science Foundation (SNSF)-invited reviewer for microbiome research (2019)

PI: CDHW-MPHE Target Zero trial: HIV education (2019-)

Spoke member: NIH: Developing Meaningful Endpoints for Pain Clinical Trials:(2020)

NVA: Vulvodynia: developing meaningful symptom checklists PI (2019-)

NIH workshop: Developing Meaningful Endpoints for Pain Clinical Trials: invited committee member (2020-)

PICORI ELM Engagement Advisory Board (2021-)

Eshelman Institute for Innovation (EII) at the University of North Carolina: invited research review panel member (2021-)

Distinction in Research mentor (RWJMS). Talia Schwartz: 'Effects of Participation in a U.S. Trial of Newborn Genomic Sequencing on Parents at Risk for Depression. J Genetic Counseling.' (2021) https://doi.org/10.1002/jgc4.1475

Empowered ME Initiative: In Our Own Voice: National Black Women's Reproductive Justice Agenda, funding to provide court-involved women and girls within the foster care/group home system with trauma-informed sexual and reproductive health education experiences (2022)

Swiss National Science Foundation: Invited reviewer for proposal: Bridging the gender gap; quantifying the immunological and clinical effects of sex and gender (2022)

Research supervisor to medical student awarded funding from the North American Menopause Society with the 2022 New Investigator Award
Research supervisor to medical student selected as the 2nd place winner of the three recognitions given at the annual 2022 meeting of the NJ Obstetrical & Gynecological Society

Distinction in Research mentor (RWJMS). Daniel Bisno: 'Virtual Peer Groups Reduce HbA1c and Increase CGM Use in Adolescents and Young Adults with Type 1 Diabetes.' (2022)

Commission on Science, Innovation, and Technology (CSIT) with support from the NJEDA and First Lady Tammy Murphy's office to review grant proposals that support innovative technology aimed at supporting mothers and infants in order to reduce infant mortality rates in the State of NJ. (2022)

Invited Chair of a March of Dimes-Discovery Research Grant Committee (2022)

Distinction in Research mentor (RWJMS). Anushka Subrahmanian: 'The Effect of Exogenous Estradiol in an Estrogen-Perturbed Mouse Model' (2024-)

Distinction in Research mentor (RWJMS). Srivarsha Kaloth: Perspectives on Food-related Practices among South Asians'(2024-)

Distinction in Global Health (RWJMS). Bianca Sanabria: 'Analysis of burn treatment and excision of skin markings (tattoos) on formerly incarcerated women' (2024-)

Distinction in Research mentor (RWJMS). Isabella Tan. The Cutaneous Manifestations of VEXAS Syndrome (2024-)

American Medical Women's Association: Mentorship program for members; research mentorship (2024-)

Capstone research: Tina Zamaku. Global maternal mortality and morbidity. (2024-)

Capstone research: Mia Prasad, Maternal Health: Templates of best care (2024-)

RWJMS Summer research training program mentor: Shruthi Thiyagarajan. (2024)

Research Steering Committee of the NJ Commission on Science, Innovation and Technology (CSIT) Maternal and Infant SME (2024-)

RWJMS DIR Program mentor; Swati Narayan (2025)

SERVICE ON UNIVERSITY COMMITTEES:

Women Health Initiative Advisory Committee (1993 -2005)

Violence Committee (1996 -2002)

GCRC Committee (2002-2003)

Pharmaceutical Research Outreach Panel (2003)

AAMC Women in Medicine Program
UMDNJ Liason Officer (2003-)

HSDD Steering Committee: CCOE office (2004-2005)

CCOE- PACE Women's Health Steering Committee (2004-2006)
Chair (2004-2006)

Master Educators Guild Member (2006-)
Co-Chair- Fall MEG program (2007)

RWJMS- Dean search committee (2007-)

RWJMS (Camden campus)-Ob/Gyn Chair Search Committee (2008)

RWJMS-Senior Associate Dean for Clinical Affairs (2009)

Master Educators Guild: Technology Conference (2012)
Planning committee

Rutgers- The State University, Center for Global Advancement and International Affairs:
Global Health Initiative Steering Committee (2012-)

Recognized by Avant-garde Health as a 2025 Healthcare Research All-Star (2025)

NJ Task force member on the NJ Opioid Recovery and Remediation Advisory Council (2025-)

SPONSORSHIP OF CANDIDATES FOR POSTGRADUATE DEGREE:

Four Ph.D. Candidates in Psychology
One PhD Candidate in Molecular Biology
One MD/PhD Candidate in Ob/Gyn
Two PhD Candidate in Public Health
Eight Masters in Public Health
Two PhD in Nutrition
One PhD in Nursing

SPONSORSHIP OF POSTDOCTORAL FELLOWS:

Women's Wellness Fellows (1992-)
MD/PhD Students (2000-)
Masters Students (2014-)

TEACHING RESPONSIBILITIES:

Didactic and clinical teaching to 2nd, 3rd, 4th year Medical students (annually)

Didactic and clinical teaching to OB/GYN, Family Medicine, and Internal Medicine Residents (annually)

Women's Health Institute Research Elective,3rd and 4th years (1999-)

Didactic teaching to medical students, residents and fellows on Medical Endocrinology rotation (2002-)

Integrated Case Learning: Osteoporosis (2004-5)

Medical Student Externship lecture(2004-)

Residency Interview Training Workshops (2004-5)

Women's Health: Medical Student Elective (2004-)

Mentor: Distinction in Research, and Community Service, and Medical Education (2004-)

Ethics in Medicine (2005-)

Academic grant writing: Medical Student Elective (2008-2010)

Summer Student Research Training Program: medical student mentor (2012-)

Medical Humanities: Medical Student Elective (2013-)

Faculty advisor for commissioned medical students (2015, 2016)

Literature and Medicine-medical student elective: faculty co- director (2015-)

PCM lecture on Maternal Health Awareness initiative (2017-)

Community outreach-medical student elective: faculty director (2019-)

Commenced the patient as teacher initiative (2019-)

Faculty leader in Medical Student elective on transgender patient care (2020-)

Faculty leader in One Health Special Interest Group (2020-)

Summer Research Fellowship Advisor (RWJMS) N Pereddy (2020)

Summer Research Fellowship Advisor (RWJMS) A Horgan (2020)

Office of Population Health (RBHS) invited fellowship mentor (2023-)

Instructional video for NJ Kids Research (2023)
https://rutgers.app.box.com/s/lzn0pb5z73nmknhv7tt6xw87ugpjty3x/file/1242277289469

Invited faculty member to speak at the Rutgers EOHSI sponsored program that educates high school students on Toxicology, Health and Environmental Disease (2023)

RWJMS Rules of Procedure; Chair. (2023-)

Faculty Advisor for Darby Kleinert-Capstone project: Women's Gynecological Health in the Military (2023)

Faculty Advisor for Enyonam Fiakpoe-Capstone Project: Predicting the Factors Engaging Child-Bearing Age Women in Long-Cohort Biospecimen (2023)

Faculty Advisor for Nira Patel- Capstone Project: Gynecologic medicine for transgender patients (2023)

Faculty Advisor for Neeharika Tipparaju-Capstone Project: Age as a Health and Wellness Factor in Joining the Military (2023)

Faculty Advisor for Jada McCall-Capstone Project: Challenges Women Face on Reentry (2023)

Faculty Advisor for Theordora Ekeocha-Capstone Project: Inclusion of Clergy Persons when making Medical Decisions (2023)

Faculty Advisor for Kaithlyn Wrigh-Capstone Project: Use of Alternative Complementary Medicine by Populations of African Descent in New Jersey (2023)

Faculty Advisor for Pooja Patel-Capstone Project: Coping with Breast Cancer: A meta-Analysis of Expressive Writing Interventions (2023)

Faculty Advisor for Joanna Madej-RWJMS Distinction in Research

project (2023)

Invited guest by Menopause Society to talk on the video educational module, “Menopause Care in Underserved Populations”. (2024)

Co-faculty advisor for the Medical Student American Medical Women’s Association group (2024-)

Faculty advisor for RWJMS Medical Student Summer Research: A Pande. Medical Student Perspectives about Mentorship. (2024)

Faculty advisor for RWJMS Medical Student Summer Research: Thiyagarajan S. Addressing Stigma and Framing Narratives: Insights on Reentry Individuals and Public Perception. (2024)

Capstone Advisor for Hifsa Abbasi: The Microbiome (2024)

Research advisor for Trisha Sindhu: IRB approved project- Cardiovascular Outcomes in Pregnancy-induced Hypertension Patients (2024)

Invited faculty presenter for Rutgers School of Pharmacy CE program. An Interdisciplinary Approach to Gender Affirming Care (6.2024)

Educational material on: Masculinizing gender-affirming chest contouring surgery: highest (666) Rutgers Library SOAR downloads (2024)

Faculty advisor for Srivarsha Kaloth: Distinction in Research project (2024)

Faculty advisor for Anushka Subrahmanian: Distinction in Research project (2024)

Lecturer to Medical Student Ob/Gyn Special Interest Group: Health Care- Nurturing an Accepting Environment for All (2024)

Faculty advisor for David Menna. First Year Interest Group: Career Exploration and Success office. (2024)

Faculty mentor for Medical Student Mock Interview initiative (2024)

Faculty Advisor for Candela Cleries: RU School of Sociology internship (2024)

Faculty Advisor for DISC project (L Oyalo, P Parikh, R Voruganti, J Diorio) providing services to individuals who have had a traumatic experience (2024)

Faculty speaker for RWJMS Ob/Gyn Special Interest Group and RWJMS AMWA. Health Care: Nurturing an Accepting Environment for All. (10/2024)

Faculty Advisor: Capstone Project for T Sarich. Obstacles to Reentry for

previously incarcerated and veterans. (2024)

AMWA Conservation Outreach: Invited contributor (2024)

Faculty Advisor for DISC Community project (Granito A, Gupta S, O'Mahony R, Abbasi H) Women's Mental Health Education Network {WoMHEN}. (2024)

Bachmann G, Phillips N. Unveiling Insights: Revisiting the Women's Health Initiative (WHI). NJAFP Webinar (10/2024)

Faculty Advisor for AMA recognized research by S Eng: One Leg Balance-the Next Vital Sign (2024-)

Faculty speaker for the RU FIGS program: One Health & Human Health-Bridging the Wellness Gap (10.17.2024)

Faculty speaker for D Cohen elective: Reproductive Care and Obstetrics Beyond the Binary (11.12.2024)

Invited Faculty for teaching for the NGO (Women Genital and Fertility Health), Nigeria. (11/2024)

Capstone advisor: Victoria Santos. Affects of Post-Partum Depression on Children (2024-2025)

Capstone advisor: Madelane Quijada. Polycystic Ovarian Syndrome and Women's Health (2024-2025)

RWJMS research advisor to Sruthi Pari and Annesha Datta. IRB approved-Maternal Substance Abuse: Need for Enhanced Medical Student Education (2024-2025)

Elective Mentor to RWJMS Josephine Alegun (11/2024)

Elective Mentor to RWJMS Samanatha Eng (11/2024)

Capstone Advisor: Carolyn Cuadra. Factors that affect egg quality & how the ovaries ability to supply eggs for fertilization changes over time (11/2024)

Faculty Mentor in Rutgers Connection Network: Aliza Leiser, MD (9/2024-1/2025)

Capstone Advisor: Nithya Kumar. Period Poverty in the US (11/2024)

Capstone Advisor: Michelle Shao. Reentry Challenges of Women vs Men (11/2024)

RWJMS Medical Student Coaching mentor (2024-25)

Faculty Mentor for Rutgers Bloustein School of Planning and Public Policy: Aayla Khan (2024-2025)

Faculty Advisor to Bhalla S, Eng S, Khangaonkar S, Erler J, Vicens G,

Sajankila R, for the RWJMS Project ‘Rise Up’ (2024-2025)

Rutgers University Microbiome Project lecturer. (11/19/2024)

Bachmann G. educational advisor to project: Vaginal Health Index continues to be used globally as noted by University of Campinas (UNICAMP), Brazil Professor, Luiz Francisco Cintra Baccaro, MD, PhD (11/2024)

Faculty Mentor for Institute of Women’s Leadership: Samantha Agtarap (2024-2025)

Faculty Mentor for Zolani Kizito for Rutgers School of Public Health (2024-2025)

Faculty Mentor for Jungbin Park for Rutgers Douglass College (2024-2025)

Faculty Mentor for Hallie Cheng for Rutgers School of Public Health (2024-2025)

Capstone Faculty Mentor for Tatiyana Dunkers: Masters in Biomedical Sciences (2024-2025)

Faculty Mentor for Puumaaya Abdulrazah, RU SPH internship (2024-2025)

Distinction in Research Faculty Advisor to RWJMS Lauren Isserow (2024-2025)

Faculty mentor for elective rotation for RWJMS 4th year student Sruti Pari (11/2024-12/2024)

Elective research advisor for 4th year student RWJMS Chelsea Osuji (1/2025)

Faculty advisor to Jungbin Park internship (1/2025-6/2025)

Faculty advisor to Diane Kim (1/2025-6/2025)

Faculty advisor to Nikila Baradi {MBS candidate} (1/2025-6/2025)

Faculty advisor to Barakat Keshiro (1/2025-6/2025)

Faculty advisor to Swera Aneja (1/2025-6/2025)

Faculty advisor to Jungbin Park (1/2025-6/2025)

Capstone faculty advisor to Carolyn Cuadra (1/2025-6/2025)

Faculty elective advisor to RWJMS Noelle Mayers (3/2025-4/2025)

Faculty advisor to RWJMS Swati Narayan for Summer RWJ Fellowship (6/2025-8/2025)

Faculty advisor for WHI elective RWJMS Noelle Mayers (3/2025-4/2025)

Faculty advisor for Capstone student T Vaidynatha Chetti (5/2025-12/2025)

Faculty advisor for Capstone student M Quijada (5/2025-12/2025)

Faculty mentor to Lucy Lannan, recipient of the RW Johnson Foundation Fellowship Program (2025)

Faculty advisor for Capstone student T Sarich (5/2025-12/2025)

Elective advisor to RWJMS S Khangaonak (4/2025-5/2025)

Elective advisor to RWJMS N Maddali (4/2025-5/2025)

Elective advisor to RWJMS N Parasuram (4/2025-5/2025)

Elective advisor to RWJMS N Kenfack Kembou (4/2025-5/2025)

Rutgers Honors College mentor: Invited interview on Women/Pain and Endometriosis (4/2025)

Bachmann G, McGreevey J. Invited speakers: Challenges for Incarcerated/Reentry Women: Effective Templates Addressing Them. NJOGS meeting 5/2025

Elective advisor to RWJMS medical student Samantha Eng (2025)

Rutgers Honors College mentor: Invited interview on Women/Pain and Endometriosis ((2025)

Academic Coach mentor to four 3rd year RWJMS students:
Talia Morchower, Sadia Ibrahim, Holly Graziano and Anushka Pande (2025-2027)

Faculty Preceptor to Juri Altaouil in the RU SPH Summer/2025

Faculty mentor to Lucy Lannan, who was accepted into the New Jersey Medical School Multidisciplinary Opportunities in Research Education for Students in Health Professions (2025-2026)

Faculty mentor for the RWJMS Association of Women Surgeons (2025-)

Faculty elective mentor to RWJMS medical student, Alyanna Tam (6/2025-9/2025)

Faculty elective mentor to RWJMS medical students, Swathi Vasudevan (6/2025-7/2025)

Faculty elective mentor to RWJMS medical students, Shruthi Thiyagarajan (6/2025-7/2025)

Faculty elective mentor to RWJMS medical students, Hunter Skroczky

(6/2025-7/2025)

Summer Research faculty mentor to RWJMS Distinction in Research Program participant, medical student, Swati Narayan (6/2025-8/2025)

Faculty internship advisor to R Bhattacharjee, RU Bloustein School of Planning and Public Policy (6/2025-8/2025)

Faculty sponsor to Sophia Bhalla for AOA Senior Leadership recognition (6/2025)

Faculty sponsor to Arianna Horgan for AOA Senior Leadership recognition (6/2025)

Faculty mentor to 3 RWJMS students recommended for AOA Honor Medical Society membership (7/2025)

CLINICAL RESPONSIBILITIES:

Chief, Division of General OB/GYN, Dept. of OB/Gyn and Reproductive Sciences (1991-2001)

Chief, OB/GYN Service – Robert Wood Johnson University Hospital (1995-2005 and 2007- 2017)

Director/Co-Director RWJMS Women's Health Institute (2000-)

Medical Director, RWJUH- Women's Wellness & Health Care Connection (2003-2007)

Medical Director (gynecology), RWJUH Executive Health Program (2003-)

Medical Director-The PROUD Gender Center of NJ (2020-)

RESEARCH/GRANTS:

NIH and private sector grants (on separate report)

Foundation Award (Dorothy Marvin Endowed Fund) # 67-25RE. awarded on a yearly basis

NJ Kids Study-steering committee (2023-)

Douglass College: Melinda French Gates – research steering committee (2024-)

RWJMS RUMP: Co-PI. Relationship of Microbiome and Uterine Endometrial Hyperplasia (2024-)

RWJMS RUMP: Principal Investigator: Exploring Balance as a Vital Sign. (11/2024-)

RWJMS Principal Investigator: Maternal Substance Abuse: Need for Enhanced Medical Student Education (1/2025-)

RWJMS Principal Investigator: Medical Student Perspectives on Re-Entry (1/2025)

RWJMS C0-PI: Project RISE-UP Real, Informed, Sensible, and Empowering Conversations to Understand our Power . Grant of $5,000 from the Alpha Omega Alpha (AOA) Honor Society---Medical Student Service Leadership Project Grant. (3/2025-)

RWJMS Principal Investigator on Research Project: Dance & Wellness (4/2025-)

RWJMS Principal Investigator: Examining the Correlations between Group B Strep (+) Screening and Maternal Health Conditions (5/2025-)

RWJMS Principal Investigator: Perceptions and Opinions on Uterine Transplantation (5/2025-)

RWJMS Co-Investigator: CINJ Pioneer study: Preparing for Implementation and Optimization of aNal scrEEning and tReatment (5/2025-)
