

Join us virtually on Thursday October 17 10:00am - 12:00PM

"Genes, Pedagogy, and Persistence: My Evolution to Assistant Professor"

Keynote Lecture
DR. JESSICA FELLMETH

INSPIRE Fellow 2018-2021
Assistant Professor
General Biology & Human Genetics
Millersville University, PA

Postdoc Candidates:
Are you looking for a postdoc opportunity that combines research and teaching, with strong mentoring in both?

Faculty Members:
Are you interested in mentoring Postdoctoral Fellows who want to obtain academic positions, who receive up to three (3) years of NIH-level funding?

Then this event is for you!

Event Agenda:
10-10:20am: Introduction to INSPIRE
10:20-11:00am: Lighting Talks by current & former Fellows
11-12: Keynote talk by Dr. Fellmeth, Q&A
